

ASTANORTH BY POND

WHY ASTANORTH?

We operate our own algae facilities in Canada, equipped with state-of-the-art technology developed by our sister company Pond Technologies.

- ✦ Never dehydrated
- ✦ No harsh chemicals
- ✦ No excess heat

We developed a gentle, all-natural extraction method avoids denaturing common with supercritical CO₂. Our product is noticeably pleasant and nutritious. We are proud to introduce:

AstaNorth by Pond – Canadian Astaxanthin

- ✓ No fishy smell or aftertaste
- ✓ Natural extraction from whole, raw algae
- ✓ Broad spectrum of fat-soluble nutrients
- ✓ Trusted, tariff-free source of astaxanthin
- ✓ Grown indoors with fresh Canadian mountain water
